

Turtles

I protected two turtles. I found the first one on the way home. I thought it was exposed to danger, so I rescued it. The second one was also in the middle of the road where cars often passed. I named them “Kamekichi” and “Kamenosuke”. They are very cute. At first, I put them in a children’s pool, but they started a quarrel. So I decided to put them in separate tanks. I want to keep them carefully.
